ABOUT STONE & BATH

SALAS DE BANHO EM PEDRA Luxuosas, Aconchegantes & Sofisticadas

Nada transmite mais nobreza do que a Pedra Natural, nem nenhum material é mais intemporal e sofisticado.

Pensamos a Pedra Natural como algo mais decorativo e, portanto, para além do simples revestimento.

Desenvolvemos, assim, uma linha especial e exclusiva de Lavatórios e Bancadas de banho, Bases de Duche, Muros divisores e Nichos em PEDRA NATURAL. Esta solução permite-lhe adaptar quaisquer destas peças à sua medida e à sua decoração, fugindo do comum, possibilitando-lhe um Design mais atrativo, flexível e personalizado.

Esta é a nossa ACQUA NATURA LINE.

STONE BATHROOMS Luxurious, Cozy & Sophisticated

Nothing conveys more nobility than Natural Stone, nor is any material more timeless and sophisticated.

We think of Natural Stone as something more decorative and, therefore, beyond the simple coating.

Thus, we have developed a special and exclusive line of Washbasins and Vanity tops, Shower trays, Partition walls and Niches in NATURAL STONE. This solution allows you to adapt any of these pieces to your needs and decoration, out of the ordinary, allowing you a more attractive, flexible and personalized design.

This is our ACQUA NATURA LINE.
